Research that Reaches Out
Faculty and Staff Newsletter - December 2019

Summer Application Deadline Extended
The deadline to apply to the Summer Research Program has been extended to Sunday, December 15 at 5:00 pm.

The Summer Student Research Program immerses faculty and their student research assistants in the integration of research and service at the Explore or Express levels, connecting directly to those student learning outcomes.

Research that Reaches Out will provide a $5,000 stipend for the faculty member, $3,500 stipends for a maximum of two students, on-campus housing for the student(s), and $750 in funds for needed supplies.

Download the application here.

Summer 2020 applications are due by 5:00 pm on December 15. Please submit your applications via email to Hannah Nabi.
