Don’t forget! Upcoming Faculty Development Event
What’s in a Name? Metacognition, Reflection, Integration and How to Use Them with Students
The last day to RSVP for this workshop is March 15th. There are two opportunities to attend:
- Friday, March 17 at 12pm in Connell Conference Room 1 (lunch provided)
- Tuesday, March 21 at 3:15pm in Penfield Hall

A Red Cherry on A White Tiled Floor: Women, War, Poetry, and the Unsayable
March 16, 6pm, PDR
Join the Women & Gender Studies department for a Women’s History Month event co-sponsored by INT 101, INT 201, Sociology, & the QEP Office. Sasha Pimentel is a Filipina poet raised in the U.S. and Saudi Arabia. She is the author of For Want of Water (Beacon Press, forthcoming in 2017), selected by Pulitzer Prize-winning judge Gregory Pardlo as winner of the 2016 National Poetry Series. She is also the author of Insides She Swallowed (West End Press, 2010), winner of the 2011 American Book Award. Selected by Philip Levine, Mark Strand, Charles Wright, Joy Williams and John Guare as a finalist for the 2015 Rome Prize in Literature (American Academy of Arts and Letters), her work has been recently published in such journals as American Poetry Review, New England Review, and Crazyhorse, among others.

Have you seen the new Research That Reaches Out videos?
The home page of the Mercer website has been updated to include a link to information and videos featuring high impact Research that Reaches out projects. Read about them here.
Say hello to our summer research participants!

Congratulations to the faculty and students whose projects were chosen for the Summer Research Program

1. Refugee Resettlement in the U.S.: The Social Assimilation Change
   Dr. Eimad Houry (CLA) & Catherine Crowe
2. Gray Water Irrigation – Implementing Policy & Regulatory Change
   Dr. Phil McCreanor (EGR), Ariel Dornisch, & Emilie Vanness
3. Constructing Virtual Reality Models for the Development of Neurological & Prenatal Surgery Simulations
   Dr. Andy Pounds (CLA), Ted Dorfeuille, & Arjit Saxena
4. Development of a low-cost indoor air quality measurement device for international applications
   Dr. André Butler (EGR), Rebecca Etter, & Timothy Hood
5. Black Lives at Jarrell Plantation Historic Site
   Dr. Matt Harper (CLA), Dr. Michele Beverly (CLA), Tamara Andrews, & Sydney Simpson
6. Desalination of Salt Water for Developing Countries
   Dr. Stephen Hill (EGR), Ciara Winfield, & Fatima Lopez
7. Mercer Adolescent STEAM Education Research
   Dr. Justin Ballenger (EDU), Dr. Donald Ekong (EGR), Dr. Sabrina Walthall (Penfield), Anna Sampson, Grace Maloney, & Elizabeth Tate

If you plan to apply for the summer research program in the future (applications for Summer 2018 are due November 1), the faculty listed above are good resources to ask about the application process and the summer research experience.

Research that Reaches Out in the News
